

RICHARD TURNER
Director

Rick has a wealth of experience and a business ethos valued and respected by our clients. Since establishing Richard Turner Architects in 1991, Rick has developed sound, long term working relationships with many blue-chip organisations, who demand a premium level of service.

Since 1996 Rick has been involved with numerous television and media related projects starting with Channel 7 and more recently NEP Australia, Fox Sports, Sky News and Fairfax Media.

Rick's interests include running, golf, skiing and his farm in the Southern Highlands.
